C. Suggested response 寫作示例 — 12 marks

Saturday
I planned to play football with my friends, but the playground was closed because of heavy rain. At first, I felt disappointed and wanted to go home. Then my friend suggested making a board game at his flat. We drew a colourful board and wrote our own question cards. After that, we tested the rules and changed the questions that were too difficult. We laughed a lot during our first game. In the end, I learnt that a good day does not always need a perfect plan.
